Request for Teletype Circuit

REF. : Memorandum to FBIB, Attention, [redacted] from Chief, Administrative Staff, ORE, dated 6 October 1948, Subject: B-wire Service. (Copy attached) 25X1

1. It is requested that order be placed with the C & P Telephone Company for an additional loop and printer on circuit 12243 (Department of State). Printer is to be installed in Room 2036 M Building. Other terminal is existing Model 19 machine in Room 104 Briggs School. Repeater will work off existing loop to North Interior Building, to permit isolation of loop to Department of State by existing key.

2. It is desired that installation and rental of the new loop and printer be changed to the ORE account.
